**\*Fully vaccinated:**  
2 weeks after their second dose in a 2-dose series, such as the Pfizer or Moderna vaccines, or 2 weeks after a single-dose vaccine, such as Johnson & Johnson's Janssen vaccine

**\*\*Anguilla requires 3 weeks**

Please note some jurisdictions restrict movement for a period of time upon arrival, either within a designated area, hotel grounds or a corridor within the destination. Most jurisdictions currently allow movement within the countries/territories with adherence to masking and physical distancing upon arrival and proof of negative tests as a requirement for entry. Individuals testing positive upon arrival should be prepared to be isolated until they test negative. The quarantine period for vaccinated individuals who test negative will be waived or reduced. Destination links should be checked regularly for more details and updates.
