FUNDRAISER EVENT
at the beautiful
Wallace Collection, London
Saturday, 10th March 2012

The Wallace Collection is a national museum in a historic London townhouse, comprised of 25 galleries.

Host your most cherished repeat guests and key business contacts to a wonderful night out in London.

Our Champagne Reception takes place in the stunning Great Gallery where you will enjoy an exclusive private view of some of the most famous works of art including Hals' "The Laughing Cavalier" and other great works by Rembrandt, Rubens, Titian and Canaletto. Dinner is served in the Courtyard and followed by an auction of valuable and money-can't-buy items.

All monies raised will go directly to the Caribbean Hotel & Tourism Association Education Foundation to send our budding scholars on a variety of courses to improve their skills in all areas of tourism and hospitality, as well as to the Haiti Relief Fund.
