

Hand Sanitizer and Toilet Seat Cleaner

How can I Protect myself from contagion?

Proandre offers 35% discount on our Hand Sanitizer and Toilet Seat Cleaner in Foam or Gel. With this initiative we just want to help our clients to introduce general preventive measures in its labor atmospheres.

Our Hand Sanitizers and Toilet Seat Cleaners are created to obtain a high dermatological hygiene. Our product eliminates 99% of the bacteria of the skin with no need of rinse with water, or dry with towel or paper.

We also have available our antibacterial soap in foam that will kill 100% of the bacteria in your hands. It's an adjunct to have your hands sanitize all the day at work.

Our Hand Sanitizers and Toilet Seat Cleaner are of 300ml and of 800ml in Foam, and 225ml and 2250ml in Gel.
